

FROM CHANGE TO TRANSFORMATION

In this activity, you will identify which products, services or processes are ripe for transformation in your organization.

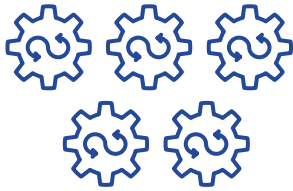

Rapid Application Learning Activity Worksheet	
<p>While watching the video <i>From Change to Transformation</i>, you learned that transformation is a Hard Trend and it will happen, “if it can be done, it will be done; if you don’t do it, someone else will.”</p>	
<p>Change</p>	<p>Change is to make or become different. It is incremental. What it was before the change resembles what it is after the change.</p>
<p>Transformation</p>	<p>Transformation means doing something utterly and radically different. Transformation is an accelerated, magnified force of change. In a sense, transformation is a Hard Trend. Technology-driven transformation is going to happen to us and all around us, whether we want it to or not.</p>
<p>Activity #1</p> 	<p>How will you transform your products, services or processes over the next five years?</p>
<p>Activity #2</p> 	<p>How will you transform your career over the next five years?</p>

FROM CHANGE TO TRANSFORMATION

In this activity, you will identify which products, services or processes are ripe for transformation in your organization.

Rapid Application Learning Activity Worksheet

Activity #3

Based on the Hard Trends that are shaping the future, what skills will you need to learn to stay relevant in your current role or the role you desire for the future?
